

Corporate Wellness Opportunity

Bringing employees together in a uniquely fun and healthy way.

The Farm Races will be held at Cherrylake in Groveland, Florida on **February 5, 2022**. We will be offering 3 different race options: **5k, 10k, or duathlon**.

We have designed a Corporate Wellness Program to help companies like you support their employees health, wellbeing, and community involvement. **Companies that participate will be offered a 10% discount on all race fees as well as internal marketing materials.**

To best accommodate your needs, we can set the program up in two ways:

Option #1 - Corporate Invoicing

Provide your employees a unique registration code that will invoice you directly for their race fees minus 10%. We can set it up to work for only 1 race option or to work for any of the 3 race options.

Option #2 - Employee Self-Registration

Provide a standard discount for all your employees who register themselves.

To sign up and for more information, please contact Caraline at caraline@cherrylake.com.

Thank you for your consideration.
