

# 2023 FARM RACES SPONSORSHIP

February 4, 2023

The 6th annual Cherrylake Farm Races is officially on for February 4, 2023. Our 2022 race had over 450 participants and we reached over 300,000 people. Participants traveled from all over the state of Florida and 13 other US states, as well as from Canada, and Brazil. This year, we are expecting to bring in 600 racers!

We value the importance of community and sustainability. Because of this, our goal for Farm Races is much more than providing racers with a great morning outdoors. In honor of each participant, we will be donating one tree to be planted in a protected conservation area. Race proceeds will be allocated to local non-profits.
